

Morrisby Profiling Pathways for alternative settings

Different profiling pathways are available to provide accessibility and flexibility for students.

	Full Profile	Optional Aptitudes (aspirations)	Elemental Aspirations
Aptitudes		Optional	
Interests			 Modified
Personality		Optional	

Full Profile

- Requires a minimum of 2 hours and support most likely to be required
- The online questions are grouped in 10 sections. The Aptitude quizzes consist of 2 Verbal, 2 Numerical, 2 Abstract, 1 Spatial and 1 Mechanical module (timed) as well as 2 untimed questionnaires - Interests (Aspirations) and Personality.

Optional Aptitudes (Aspirations only)

- Begins with the untimed interest questionnaire (Aspirations)
- Can be completed in 20-30 minutes, although additional time may be needed when support is needed
- There is the option for capable students to complete the full profiling including Aptitudes at any time.

Elemental Aspirations

- Begins with a modified untimed personal interest questionnaire (Aspirations)
- Generate an interests' profile but no career suggestions or options to complete additional questionnaires or modules
- Students are eligible for an interview with a career consultant.
