Webex on iPad

GUIDE FOR STUDENTS

Before your interview

Please complete these steps before your scheduled interview so you are ready to join on time.

1. Have your iPad connected to reliable Wi-Fi.
2. Install the Webex app from the App Store. See the image below.
3. Have your consultant's meeting number or meeting link ready.
4. Allow Webex to use your microphone and camera when prompted.

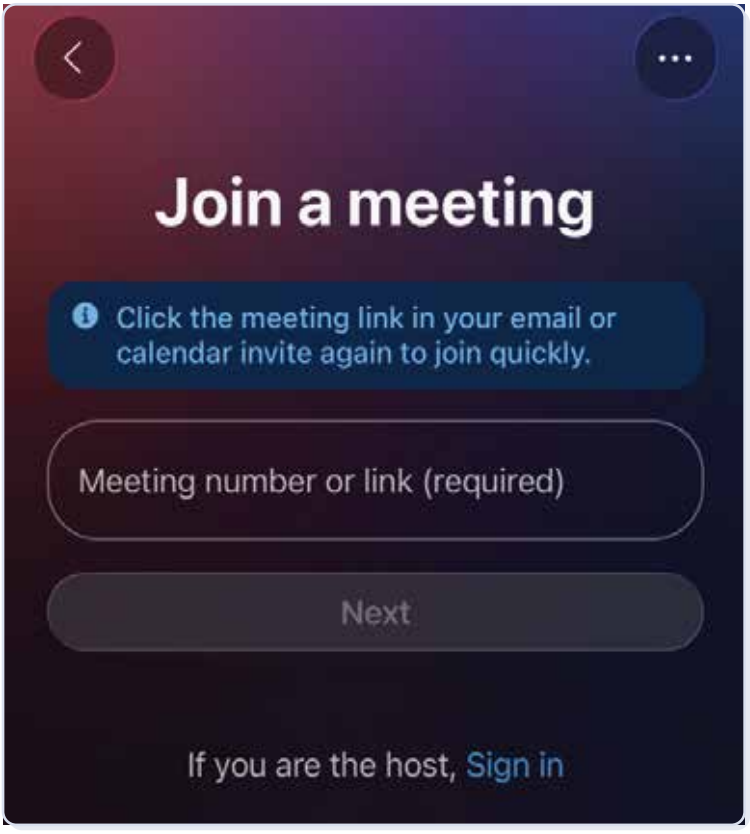

Join your interview

Use the Webex app to enter your consultant's meeting room.

1. Open Webex on your iPad, then tap Join a meeting.

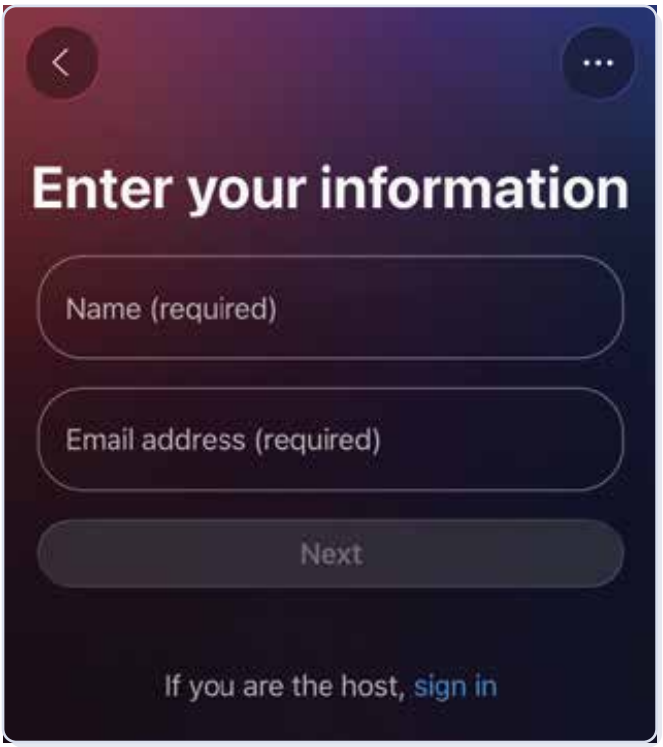

2. Enter your consultant's meeting number or meeting link, then tap Next.

Continue joining your interview

3. Enter your information, then tap Next.

4. Select “Allow” to access the microphone, then tap Join meeting.

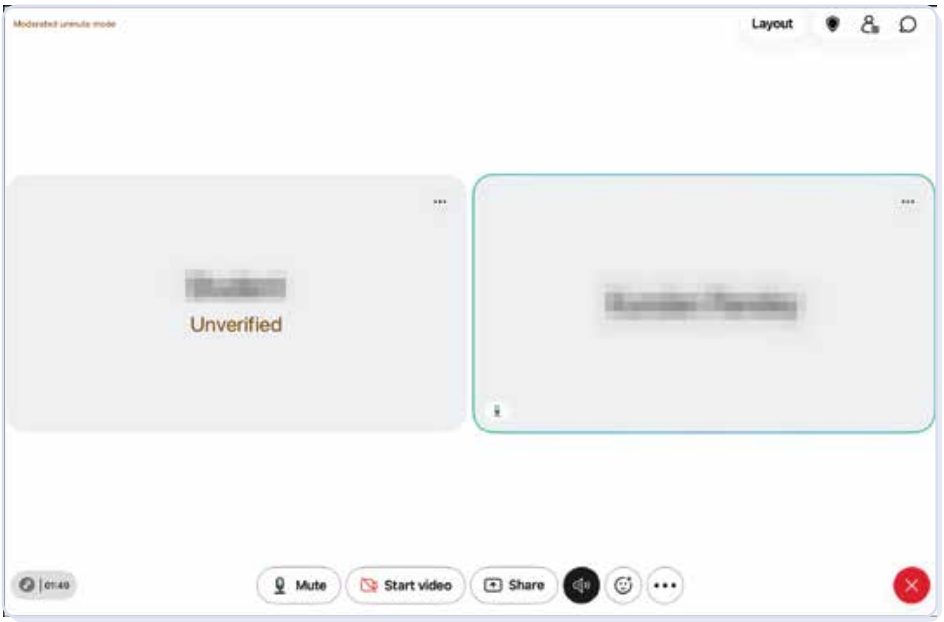

5. Wait in the lobby for the host to let you into the meeting.

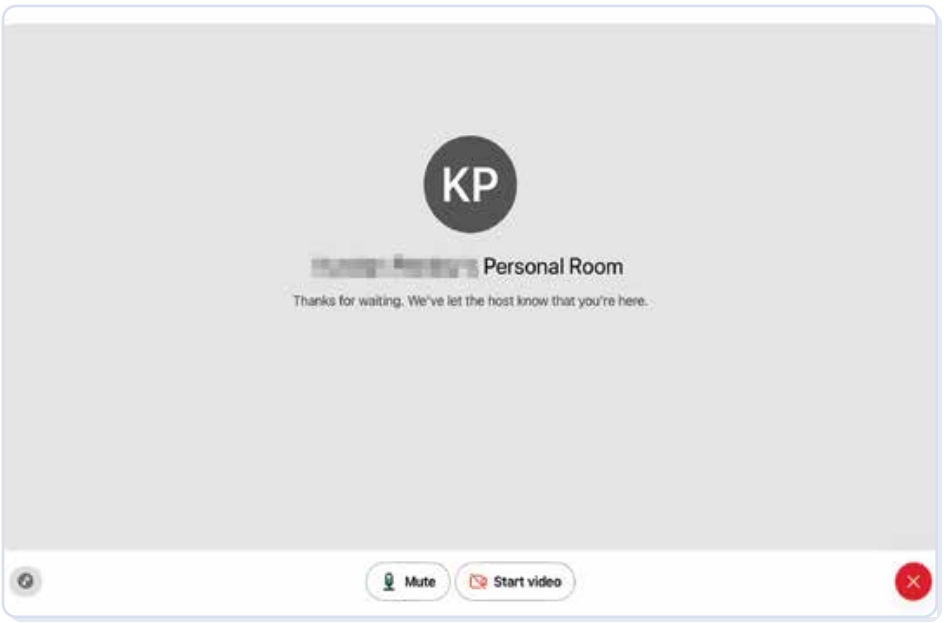

Tip Keep Webex open while you wait. The host will admit you when the interview is ready to begin.

During and after your interview

Once the consultant admits you, use the controls below to manage your audio, video and chat if required.

When your interview is finished, tap the red End call button and select Leave meeting.

Having trouble?

If you have any issues accessing your Webex interview, please contact your school contact.
