Numerical 2 Assessment	12 Minutes
<b>Break:</b> You are more than a third of the way through. Have a break and rest your eyes for a few minutes. Start again when you are ready. 	
Abstract 1 Assessment	12 Minutes
Abstract 2 Assessment	12 Minutes
Personality Type Questionnaire	About 5 Minutes
<b>Break:</b> Almost there! About half an hour to go. Give your eyes a break for a few minutes and start the final section when you are ready. 	
Spatial Ability	12 Minutes
Mechanical Ability	12 Minutes
Aspirations	About 9 minutes

# Some handy tips for completing your profile

**Have a go at the practice questions prior to starting the profile.**

## **On Profiling Day:**

- Work through the questions without distractions, a quiet environment allows you to think about the questions
- This is not an exam, there is no pass or fail
- Close all other apps and tabs on your computer, these can be a distraction
- Try your best with each question. This will help to build a profile that truly represents your strengths, abilities and interests
- The timed aptitude questions get harder as you progress, and you are not always expected to finish
- Don't rush or click through to finish a section quickly
- If you need to leave the room during profiling finish the module you are working on, save, then log out. When you return you can login and recommence from where you left off

# Practice Questions

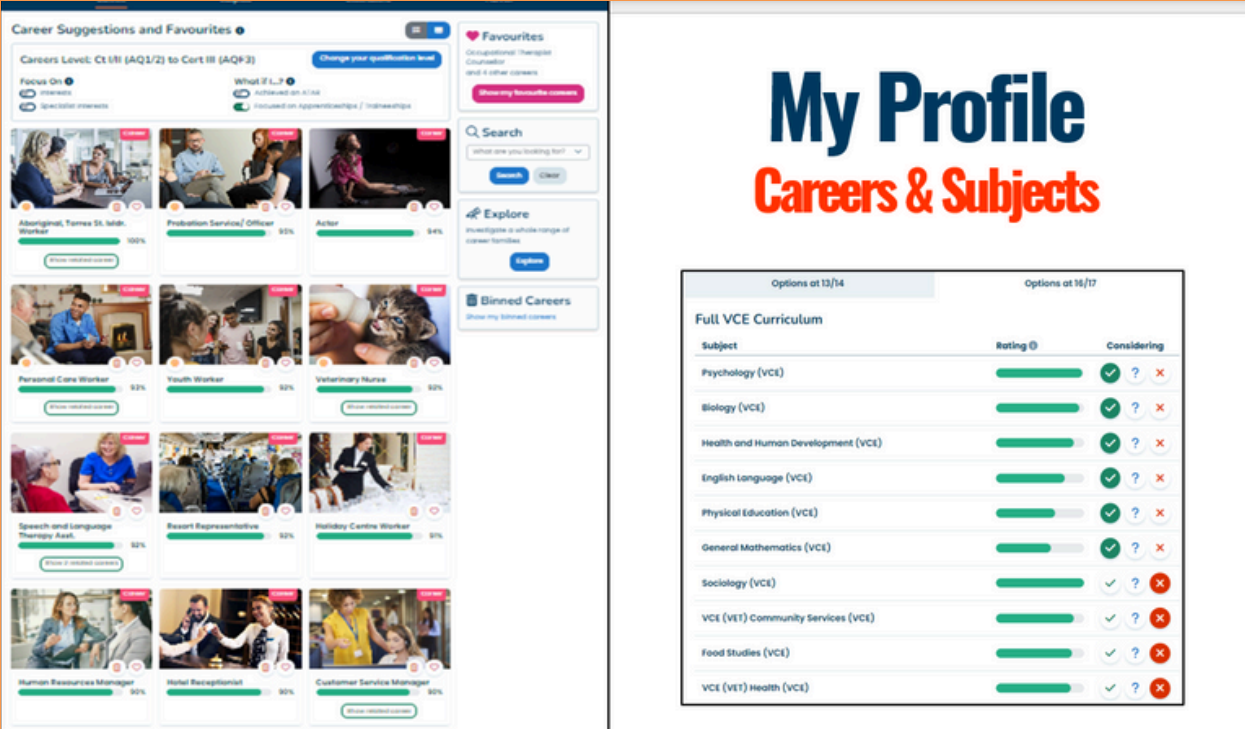

---

Go to [Morrisby](https://app.morrisby.com/practice-questions) (app.morrisby.com/practice-questions) to see what the questions are like. While the practice questions don't cover every type of question you will answer in your profile, it does give you a good idea of what to expect.
